## They All Matter

It's important to be aware of all cancers all year long, but to help raise awareness and funding for specific cancer groups there is a "Calendar of Cancers" that highlights the key focus for awareness and fundraising each month of the year.

**February:** World Cancer Day

**March:** Female Cancers

**April:** Gastrointestinal Cancers

**May:** Respiratory Tract Cancers

**June, July & August:** Skin Cancer

**September:** Childhood Cancers

**October:** Breast Cancers

**November:** Prostate Cancers
