

Become a Volunteer

The Cancer Society employs five full-time staff members and all Board members are unpaid for their work on behalf of the Society.

We rely heavily on the time and skills that our volunteers are able to contribute to us to help improve the lives of our clients, and support cancer prevention efforts.

The Society is always seeking to recruit volunteers to assist in a number of different areas including helping in the office, contributing to our newsletter, and donating time to assist with Cancer Society events and other community events that support our mission.
