

...Did You Know?

The Cayman Islands Cancer Society receives donations in many forms each year to provide the services that we do. Here is a breakdown of what the contributions of our members, volunteers, community partners and funders make happen for our beautiful islands annually:

- CICS budgets \$100,000 of financial aid to help people you know each year!
- CICS pays \$1000's per year for life saving mammogram, pap and PSA tests. \$2000+ in pap test fees in Oct & Nov!
 - CICS pays over \$55,000 per year to create a National Cancer Registry with HSA!
 - CICS has earmarked \$30,000 to pay for HPV vaccines that will be provided FREE!
 - CICS budgets \$50,000 to cancer education/prevention efforts!
- In 2011 CICS provided continuing medical education to 200 allied health professionals & a FREE health fair to over 500 people. We averaged 5 free presentations a month.

Visit our [donations](#) page to find out more about how YOU can help us develop our mission of raising awareness on issues related to cancer, cancer prevention, and providing support to cancer patients.
